Information on refunds:

- You can return any item for a refund within 30 days of receiving your order.
- Fill in the form and introduce it on the package with the items you want to return.
- Items shall be returned on the same conditions they were received, along with the original packaging, labels and with any related accessories.
- For your security, we advise you to protect the goods with a resistant packaging and certify the delivery.
- Stamp the refund properly and send it to the same address stated on the dotted box.
- If you want to change the size of your item, let us know the correct size in the comments box.
- If the reason of your change or refund is not covered by the code table, please state it in the comments box.
- If you want to receive the exchanged product in a different address than the one from your original order, please state it in the comments box.
